11-13 May 2022  Orlando

"Moving Forward: Where do we go from here?"

The 2022 Annual Meeting of the Society of Florida Archivists – *Moving Forward: Where Do We Go From Here?* – will take place May 11-13, 2022 at the DoubleTree by Hilton Hotel, adjacent to the University of Central Florida campus in Orlando, Florida.

Call for Proposals

The 2022 Society of Florida Archivists Annual Meeting Committee invites proposals for live sessions and poster presentations. Along with any aspect of archival practice, the Committee encourages session proposals addressing the challenges and impact the COVID-19 pandemic and other world events have had and will continue to have on the work that we do as archivists and the future of the profession. The committee also encourages proposals that highlight institutional commitment to diversity, inclusion, equity, and accessibility.

Presentation Format:

- Individual papers. 10-15 minutes in length and typically combined into a 45-minute session followed by a comment-and-discussion period.
- Papers in a complete panel session. Two or three papers with a common theme and a chair/moderator, comprising a 45-minute session followed by a comment-and-discussion period.
- Discussion-based panel sessions. Visual or media presentations (e.g., videos, films, physical items from collections) followed by group discussion. One to three presenters may comprise a single session.
- Lightning talks. Short individual talks given in rapid succession, followed by a comment-and-discussion period.
- Poster sessions. Visual displays of projects, activities, or applied or theoretical research, to be incorporated into a larger poster session.
- Other formats. Hands-on demonstrations or other formats that encourage engagement and conversation.

Proposal Criteria:

Submissions should be simple narratives of no more than 300 words that explain the purpose of the session, the intended audience, and how the session will proceed. You need not name specific presenters, but a designated chair or moderator must be identified. Please include that individual's contact information (institution, mailing address, email, and phone). Preference will be given to session proposals that demonstrate the following characteristics:

- Inclusion of geographically and demographically diverse perspectives and initiatives.
- Potential impact on archives and records management practice.
- Relevance of the topic for society members and other interested attendees.
- Interaction and engagement with session participants.

Presenters need not be SFA members, but will be expected to arrange their own conference registration, travel, and accommodations in order to participate.

Proposals are due **by the end of the day Friday, January 21, 2022.**
